

COLLEGE ACCESS CHAMPION AWARD

Great Lakes Higher Education Guaranty Corporation created the College Access Champion Award to recognize educators who serve ninth through twelfth graders in low-income communities in Ohio. The award recognizes Ohio educators who are passionate about helping their students achieve their dreams of going to college. Each award recipient will receive up to \$5,000 to be applied to the balance of their outstanding federal student loan debt.

The schools included in this list qualify for the Great Lakes College Access Champion Award. This list was created from the U.S. Department of Education's Low-Income Directory listing for the 2008-2009 school year.
